Credit Report Sales Over the Internet!

This allows your association to sell credit reports from your web site, to anyone, using either Paypal or a credit card.

The report format does not disclose any member specific information.

The user accesses the service using the association web site, and first receives a confidentiality agreement screen.

WARNING...
Reports are Strictly Confidential

National Business Credit Reports as well as all verbal information you receive from the Credit Reporting Department is strictly confidential and for the exclusive use of your Credit Department. **Under no circumstances may reports be shown or ledger information revealed to the subject of the report.** Members who violate this rule are subject to suspension, as provided in the By-laws. Please see that everyone in your organization thoroughly understands these rules so that the confidence and integrity of credit reports may be consistently maintained.
