In House procedures to generate the data:

To create the 'Most Wanted' Reports, key in the month and year:

Enter extract date 0111 (MMYY)

To create the 'Recently Updated Reports' key in the following information:

NACM Most Recently Revised
Create

Based upon percent of lines
updated compared to an entered date

Minimum NUMBER of lines needed	04
PERCENT of lines that need to be current	075
Enter the MONTH considered current	01
Enter the YEAR considered current	11
Enter the from zip code	00000
Enter the through zip code	99999

Subjects with at least the above percentage of lines that are, current will be selected and printed on the report. The current date will be the month and date displayed above.
